Life Together Opens in Tamarin

Life Together, your new
medical destination,
will soon be opening in
Cap Tamarin

As a will to offer a broader alternative of medical services to the residents of the West coast of the island, Life Together will soon be opening its brand-new medical centre in Cap Tamarin.

Equipped with 1,400m² of modern and comfortable medical facilities, Life Together will operate under 3 of its brands: Life | Nova+ for medical biology laboratory, consultation and physiotherapy rooms, imaging and emergency services, Life | Viva for its second day care surgery facilities loaded with a state-of-the-art operating theatre and day care accommodation, and Life | Hospital at Home which offers a wide array of home hospitalisation services.

Life Together offers a caring, comforting, empathic and holistic approach focussed on the patient, driven by their health and well-being.

Life Together s'installe à Tamarin

Life Together, votre nouvelle destination médicale ouvre bientôt ses portes à Cap Tamarin

Afin d'offrir plus de services médicaux aux résidents de l'Ouest, Life Together ouvrira bientôt son tout nouveau centre médical à Cap Tamarin, doté de 1400m² d'infrastructures modernes et confortables

Sous le label Life | Nova+, seront disponibles : un laboratoire de biologie médicale, des salles de consultations et de kinésithérapie, un service d'imagerie et un service d'urgences. Et sous le label Life | Viva : un service de chirurgie ambulatoire doté d'un bloc opératoire ultra-moderne et d'un hébergement de jour, complété par Life | Hospital at Home, service d'hospitalisation à domicile.

Life Together offre une approche attentionnée, réconfortante, empathique et centrée sur le patient, sa santé et son bien-être.
